OFFICE OF THE GENERAL COUNSEL
Division of Operations-Management

MEMORANDUM OM 88-82

September 21, 1988

TO: All Regional Directors, Officers-in-Charge,
and Resident Officers

FROM: Joseph E. DeSio, Associate General Counsel

SUBJECT: Submission of Records to the Board in Motion
for Summary Judgment Test of Certification Cases

At the present time, Section 10282.2 of the Casehandling Manual provides that when a Region files a Motion for Summary Judgment with the Board in a test of certification case, the Region is required to submit various documents pertaining to the underlying representation proceeding. In addition to the items set forth in Casehandling Manual 10282.2, the Board has decided to require that the transcripts and exhibits in the underlying representation case be forwarded to the Board at the time the Motion for Summary Judgment is filed. A single copy of the transcript and exhibits will be sufficient. If for some reason including the transcripts and exhibits with the Motion would delay its transmission, the Regions should note in their submission that the transcripts and exhibits will be forwarded separately. Thereafter, the transcripts and exhibits should be promptly transmitted. In view of the foregoing, Casehandling Manual Section 10282.2 is hereby modified to reflect this additional requirement.
